

INAUGURAL FUNCTION OF NOORUL ISLAM COLLEGE OF ENGINEERING STUDENT CHAPTER OF IET

REPORT

The inaugural function of the student chapter of IET (INSTITUTION OF ENGINEERING AND TECHNOLOGY), Noorul Islam College of Engineering was held on 11th October 2007 at 2 pm in the A/C auditorium of NICE. All the 64 student members of IET along with staff were assembled at the hall. The special chief Guest invited for the function was Sri. Hari Easwaran who is the chairman of Easun Groups and Chairman of IET-UK Chennai Network. The whole function was hosted by Ms. J. Jenisha Sharon Jha of Pre Final year, Information Technology.

First of all the function was solemnly started with a prayer song by the Infotech girls and following this good beginning, Mr. J. Ahmed Muzammil of Pre-Final year, IT delivered a warm welcome address following his speech, the presidential address was given by our beloved principal Dr. K. Thyagarajan then our Head of the Department of IT, Prof.. S. Suresh Kumar respectfully introduced the chief guest of the function. Following his introduction, Prof. P. Mohamed Shameem, Asst.Professor of IT department, addressed the report then Prof. R. Mathu Soothana S. Kumar Asst.Professor of IT department gave the felicitations. And then Honorable Chief Guest **Sri. Hari Easwaran, Chairman, IET Chennai Network** presented the inaugural address. He gave an effective power point presentation about the IET Student's chapter, including the users, opportunities, facilities and so on. It was really a very intellectual informative speech for all the members of IET to gain very great insight knowledge in to the IET student's Chapter. He presented a very vivid speech that can be understood by everyone, following his speech, refreshment was given for the students.

Finally a graceful vote of thanks was proposed by Ms. H. R. Ain-Ul-Ayesha of second year IT. The whole function comes to an end with the National Anthem at 4 pm. As a whole, the inaugural function of the student chapter of IET, NICE has given a fresh start to all the young Syritizians to improve their innovate thinking, set their goals and to come in flying colors in the future.
