INTRODUCTION:

In today's world of Science & Technology, Mobile Phones play a vital role. There are a number of mobile companies and service providers available. I have prepared a comparative report on the various Mobile phones and service providers *from* the consumer view point and thus finding the best mobile and service provider.

The Different mobile phone companies and service providers that are available are listed below:

MOBILE	SERVICE PROVIDER
Nokia	BSNL
Samsung	Airtel
Sony Ericsson	Aircel
LG	Vodafone
Motorola	Tata Indicom
China handsets	Reliance

SURVEY REPORT:

S.No.	Product Name		Name of the Consumer	Feedback	
	Mobile	Service Provider		Mobile	Service Provider
